MINORITIES IN NATURAL RESOURCES CONSERVATION

The Southeastern Association of Fish and Wildlife Agencies (SEAFWA) is an organization whose members are the state and federal agencies with primary responsibility for management and protection of the fish and wildlife resources in 16 states, Puerto Rico and the U.S. Virgin Islands. Its objectives are to cultivate friendly relations and mutual understanding among officials engaged in natural resources conservation and to coordinate the programs they administer. SEAFWA also promotes public understanding and appreciation of the importance of conserving natural resources and encourages the management of fish and wildlife resources.

The Minorities in Natural Resources Conservation (MINRC) subcommittee is actively seeking minority students to participate in the 73rd Annual Southeastern Association of Fish and Wildlife Agencies (SEAFWA) Conference.
